

# For Your Life

## Led Zeppelin

You said I was the only, with my lemon in your hand (uh-oh, uh-oh)  
Exhibition is your habit - emotion second hand (uh-oh, uh-oh)  
Had to pull away to save me - maybe next time around  
And she said: Don't you wanna - don't you wanna cocai-cocai-cocaine?  
Hadn't planned to - could not stand to try it, fry it (na na na na yeah) Heard a cry for mercy in the city of the  
damned (uh-oh, baby, damn)  
In the pits you go no lower - the next stop's underground (hello underground)  
Your wine and roses ain't quite over - fate deals a losing hand  
And I said: didn't mean to - did not mean to fail  
You didn't plan it - you over-ran it You wanna do it - you wanna do it when you wanna  
You wanna do it - wanna do it - do it when you wanna When you blow it, baby, you got to blow it right  
Oh, if you fake it, mama; baby, fake with all your might  
When you fake it, mama, please fake it right (for yourself, baby)  
When you f-f-f-fake it, baby, you're fakin' it for your life  
For your life, for your life, for your life Do it, do it, do it, do it, do it, do it when you wanna  
Do it, do it, do it, do it, do it, do it when you wanna Oh, I can have you, baby, But I don't know what to do, yeah  
Sometime, baby, nothin' I could do On the balance of the crystal - payin' through the nose  
And when they couldn't resist you, I thought you'd go with the flow.  
And now your stage is empty, bring down the curtain, baby please.  
Fold up your show Hadn't planned to, Could not stand to fry in it  
Hadn't planned it, I over-ran it, (fryin)  
For your life, For your life.
