

Doo Run

Hit'n'Hide

Doo Run Doo Run Run

You are the lonely one.Doo Run Doo Run Run

Don't you wanna have some fun,

Doo Run Doo Run Run

You are the lonely one,

Doo Run Doo Run Run

Don't you wanna have some fun,

Doo Run Doo Run Run

You are the lonely one.You got me waiting forever,

Waiting for you,

How can we be together,

Me and you.

I guess I need a miracle,

To make you stay,

What can i do to keep you,

From running away.Doo Run Doo Run Run

Don't you wanna have some fun,

Doo Run Doo Run Run

You are the lonely one,

Doo Run Doo Run Run

Don't you wanna have some fun,

Doo Run Doo Run Run

You are the lonely one.Waiting for you,

Can't you see,

I've been alone since you left me,

You always say,

You will stay,

But you keep running away.Doo Run Doo Run Run

Don't you wanna have some fun,

Doo Run Doo Run Run

You are the lonely one,

Doo Run Doo Run Run

Don't you wanna have some fun,

Doo Run Doo Run Run

You are the lonely one.You left me here at the station,

You had to go,

I'm running out of patience,
But you should know,
How can it take so long,
For you to come,
There must be something wrong,
You run around.Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run
You are the lonely one,
Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run
You are the lonely one.Here I am, back again,
Gotta go, I tell you when,
Baby baby I like your smile,
I'll be back, in a while.
You will stay, wait for me,
I'll be back, just wait and see,
Keep it cool, have some fun,
Gotta go, I'm on the run.Waiting for you,
Can't you see,
I've been alone since you left me,
You always say,
You will stay,
But you keep running away.Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run
You are the lonely one,
Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run
You are the lonely one.Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run
You are the lonely one,
Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run
You are the lonely one.Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run
You are the lonely one,
Doo Run Doo Run Run
Don't you wanna have some fun,
Doo Run Doo Run Run

You are the lonely one.Doo Run Doo Run Run
Don't you wanna have some fun?
