Lost In Love

Nastyboy Klick

How ya doinâ€™ sweetheart?
Heya, you know these last few months weâ€™ve been together
Happened so right and Iâ€™m just so happy for what we shared
Iâ€™ve been wonderinâ€™...how do you feel?

I wanna get lost in love with you
And do all the things you want me to
Caress your body touch your soul
Cuz boy I love you so
(repeat)

The love we shared something so especial
Estar contigo is all I wanna do every night
Ever since el primer dia, the first day
I knew itâ€™d last forever if I had it my way
So the days go on, no hago otra cosa
But dream about the moment, our hearts will come closer
Holdinâ€™ tu mano in your face tan bonita
Never met another young lady senorita
And that is why I gotta say that youâ€™re the best
A millon and one ways just to express
Mi amor I know that we will be together
So, sing to me, baby, and sing forever

I wanna be with you always
Together forever â€™til our ending days
Hold me baby donâ€™t let go
Makinâ€™ love like never before
(repeat)

Makinâ€™ love in the night time, walks and romance
Iâ€™m telling you, hermosa, my heart is in a trance
They say that true love is so hard to find
I thank the man up above for makinâ€™ you mine
Talkinâ€™ on the telephone, sendinâ€™ you kisses
A dozen of roses just to say that I am missinâ€™
The warmth of your body right next to mine
Ere es tu la mejor like a toast of fine wine
Out to the movies, maybe sharing some ice cream
Si estoy dormido, donâ€™t wake me from my dream

Todo lo que quiero, all I need is your affection
My life was fine but you brought profection
Now we sit here just holdinâ€™ hands
Whispers in my ear tell me that Iâ€™ll be your man
Today, manana in a paradise for two
I feel the same way â€™cuz Iâ€™m so in love with you

I love the way you make me feel
My love for you is all so real
Embrace my body, touch me softly
Love me â€™til the morning
(repeat)

You know that love we shared is just something so special
I just donâ€™t know what to say, girl
Would you sing to me one more time?
Do it like this, câ€™mon

I wanna get lost in love with you
And do all the things you want me to
Caress your body, touch your soul
Cuz boy I love you so
I wanna be with you always
Together forever â€™til our ending days
Hold me baby, donâ€™t let go
Makinâ€™ love like never before
