

# Keeps Gettin' Better

[Christina Aguilera](#)

Step back, gonna come at you fast  
I'm drivin' out of control, I'm gettin' ready to crash  
Won't stop shakin' up what I can  
I serve it up in a shot, so suck it down like a man  
So baby, yes, I know what I am  
And no I don't give a damn and you'll be lovin' it  
Some days I'm a super bitch  
Up to my old tricks but it won't last forever  
Next day I'm your super girl  
Out to save the world and it keeps gettin' better  
Kiss kiss, gonna tell you right now  
I make it sweet on the lips, I simply knock you out  
Shut up, I don't care what you say  
Cause when we're both in the ring, you're gonna like it my way  
Yeah baby, there's a villain in me  
So sexy, sour and sweet and you'll be lovin' it  
Some days I'm a super bitch  
Up to my old tricks but it won't last forever  
Next day I'm your super girl  
Out to save the world and it keeps gettin' better  
Hold on  
It keeps gettin' better  
Hold on  
It keeps gettin' better  
In the blink of an eye, in the speed of the night  
I hold the universe up, I'll make your planets collide  
I'ma strap on my boots and I slip on my suit  
You see the vixen in me becomes an angel for you  
Some days I'm a super bitch  
Up to my old tricks but it won't last forever  
Next day I'm your super girl  
Out to save the world and it keeps gettin' better  
Some days I'm a super bitch  
Up to my old tricks but it won't last forever  
Next day I'm your super girl  
Out to save the world and it keeps gettin' better  
Hold on  
It keeps gettin' better  
Hold on  
It keeps gettin' better
