

Burn One Down

Ben Harper

Let us burn one from end to end
And pass it over to me my friend
Burn it long we'll burn it slow
To light me up before I go If you don't like my fire
Then don't come around
'Cause I'm gonna burn one down
Yes I'm gonna burn one down My choice is what I choose to do
And if I'm causing no harm
It shouldn't bother you
Your choice is who you choose to be
And if you're causing no harm
Then you're alright with me If you don't like my fire
Then don't come around
'Cause I'm gonna burn one down
Yes I'm gonna burn one down Herb the gift from the earth
And what's from the earth
Is of the greatest worth
So before you knock it try it first
Oh, you'll see it's a blessing
And it's not a curse If you don't like my fire
Then don't come around
'Cause I'm gonna burn one down
Yes I'm gonna burn one, oh
