Heed the Message

Al McKay Allstars

Heed The Message!

Whatâ€™s on ya mind?
Are you searching trying to find?
When you choose your religion
Better use yourÂ intuitionÂ
Times are aÂ changing
Lives re-arranging

Don't think twice when your feeling is right
So the message to you to thine own self be true

Heed The Message

Procrastination, just hesitation,
Try meditation, for your presentÂ situation.
True thoughts you'll find, bring peace of mind
Love is the calling, haters are falling

Don't think twice when your feeling is right
So the message to you to thine own self be true

OOh Oh Oh Oh, Heed The Message!
repeatÂ
