

Empires (Junior Vasquez Remix)

Lamya

Bring me men
Bring me men to match my mountains
Bring me men
Bring me men to match my plains
Men with empires
Men with empires in their purpose
and new
and new eras in their brains
Bring me men
Bring me men to turn the page
Men with vision
Visions of a new age
Will not engage
in foreign race and distant war
where policy of peace
legends and legacies restored
Bring me men (bring me men)
men to match my mountains
Bring me men (bring me men)
men to match my place
Bring me men that do believe
You reap as you sow
Give as you receive
Bring me not kings
with arbitrary reign
Prepare me the way
Let my freedom sustain
Men to match my mountains
Men to match my plains
Empires in their purpose
New eras in their brains
Men to match my mountains
Men to match my plains
Empires in their purpose
New eras in their brains
Bring me the warrior
shepherd or leader
(?) or lawyer
hunter or hider

doctor or teacher
spiritual preacher
wheeler and healer
spin doctor, dealer
(?)
