

# Epicentre

## VNV Nation

I asked myself was I content  
With the world that I once cherished?  
Did it bring me to this darkened place  
To contemplate my perfect future? I will not stand nor utter words  
Against this tide of hate  
Losing sight of what and who I was again I'm so sorry if these seething words I say  
[Incomprehensible] on you that I've become  
An anathema of my soul I can say that you're losing me  
I always tried to keep myself tied to this world  
But I know where this is leading  
Please, no tears, no sympathy I can say that you're losing me  
But I must be that which I am  
Though I know where this could take me  
No tears, no sympathy Gracefully, respectfully  
Facing conflict deep inside myself  
But here confined  
Losing control of what I could not change Gracefully, respectfully I ask you  
Please don't worry, not for me  
Don't turn your back  
Don't turn away I can say that you're losing me  
I always tried to keep myself tied to this world  
But I know where this is leading  
Please, no tears, no sympathy I can say that you're losing me  
But I must be that which I am  
Though I know where this could take me  
No tears, no sympathy No tears for me, no sympathy  
No tears for me, no sympathy Gracefully, respectfully I ask you  
Please don't worry, not for me  
Don't turn your back  
Don't turn away I can say that you're losing me  
I always tried to keep myself tied to this world  
But I know where this is leading  
Please, no tears, no sympathy I can say that you're losing me  
But I must be that which I am  
Though I know where this could take me  
No tears, no sympathy No tears for me, no sympathy  
No tears for me, no sympathy I can say that you're losing me  
I always tried to keep myself tied to this world  
But I know where this is leading

Please, no tears, no sympathy I can say that you're losing me  
But I must be that which I am  
Though I know where this could take me  
No tears, no sympathy
