

It's Never Too Late

Mustasch

Your eyes are moist, you scream and shout
As though you were a man possessed
From deep inside comes rushing forth
 All the anguish you suppressed
Up on your wall hangs your degree
Your parents craved so much for you
And though you're trained to make your mark
 You still don't quite know what to do
It's never too late to start all over again
 To love the people you caused the pain
 And help them learn your name
Oh, no, not too late, it's never too late to start all over again
 Well, it's much too late to start again
 To try and find a little bliss
 So on your woman and your child
 You release your bitterness
 You drift apart some more each day
 You feel the guilt and loneliness
And the God of your childhood you can't find
 To save you from your emptiness
It's never too late to start all over again
 To love the people you caused the pain
 And help them learn your name
Well no, not too late, it's never too late to start all over again
 You say you've only got one life to live
 And when you're dead you're gone
 Your family comes to your grave
 And with tears in their eyes
They tell you, you did something wrong, you left us alone
 Tell me who's to say after all is done
And you're finally gone you won't be back again
 You can find a way to change today
 You don't have to wait till then
It's never too late to start all over again
It's never too late to start all over again
It's never too late to start all over again
It's never too late to start all over again
 It's never too late
