Renegade

Michael Patrick Kelly

Driving out before the break of dawn
I do as I please, I hit and run.
There's a dark side in everyone
I'm spoiling the breeze
with the smoke of my gun.You're running for your life, oh no
So long my friend so long, oh no
the renegade is on the runlalala lalala leyda
lalala lalala ley
lalala lalala leyda
leyda leyda ley (2x)Oh the mountains of misery
I left in that town is falling on me.
And now the lawless man in me
Is losing his crown and brought to his knees.I'm running for my life, oh no
So long my friend so long oh no,
the renegade is on the run.lalala lalala leyda
lalala lalala ley
lalala lalala leyda
leyda leyda ley (2x)If you hide at Leyda's place
The boys will track you down
And I'll find you anyways oh no,
the renegade is on the runYou'll cry on judgement day
Just like a wining baby
You'll die unless you're saved oh no,
the renegade is on the run.lalala lalala leyda
lalala lalala ley
lalala lalala leyda
leyda leyda ley (2x)
