

Just Between You and Me

Porter Wagoner & Dolly Parton

So I feel so blue sometimes I want to die

And so I've got a broken heart so what

They say that time will heal all wounds in mice and men

And I know that someday I'll forget and love again But just between you and me I've got my doubts about it

Just between you and me you're too much to forget So I've lost the only one I've ever loved

And so I've never felt so low so what

I'll just tell myself each time I want to cry

That someday time will dry the teardrops from my eyes

Just between you and me I'm not so sure about it

Just between you and me you're too much to forget

You're too much to forget
