

Just Chillin

Craig David

Uh oh uh oh
uh oh uh oh uh oh uh oh
uh oh uh oh uh oh uh oh
uh oh uh oh uh oh uh oh
uh oh uh oh uh oh uh oh I'm in the club tonight kicking back
(so what's up?)
Just chillin'?
ain't no question that this pretty girl want to be all up in it
I'm in the mood tonight to get it crunk alright, get my grind on yeah
ain't no holding back 'cause it's a fact you're the girl I'm feelin'
you look so sexy when you're dancing
when you dip it low then flip it back to front and?
ooh I like the way you got your eyes on me
maybe we could work it
but don't stop what you're doing tho Maybe we can fly
way up to the sky
baby we can go
anywhere you like
baby we can move
ain't got nothing to lose
girl we can do this
anyway you want it Oh girl
sexy to me
oh girl
I like the way you work it work it on me
oh girl
sexy to me
oh girl
I like the way you work it work it on me All my fellas and my girls and
all my hustlers making money time to fall in
ooh you're so damn sexy want the world to know
this girl got me open
ain't goin' front 'cause I like her so Maybe we can fly
way up to the sky
baby we can go
anywhere you like
baby we can move
ain't got nothing to lose
girl we can do this

anyway you want it Oh girl
sexy to me
oh girl
I like the way you work it work it on me
oh girl
sexy to me
oh girl
I like the way you work it work it on me Uh I know you like it girlfriend come on
as I watch you from across the bar
you shine girl
ooh it's something 'bout the way you move
you feel me
makes a brother want to slide up right up next to you
come on Girl you know this man's got his eyes on you
temperature rise can you feel it too
when I look at you
don't want to lose my cool
but baby I can't help it Oh girl
sexy to me
oh girl
I like the way you work it work it on me
oh girl
sexy to me
oh girl
I like the way you work
I like the way you work
I like the way you work
