

The Promise

Emma Blackery

Today you don't wanna get out of bed
There are so many thoughts in your head
Like you better off dead
Better off dead Well let me tell you
There's a whole world waiting for you
It's hard to believe but it's true (Woah oh oh)
So just hold on for me, hold on for me
Cus I believe if you go
My heart would break
Just hold on one more day Cus you are so beautiful (Woah oh oh)
I promise you this
I promise you this
And you are more than capable (Woah oh oh)
Just believe in yourself and nobody else is listening And I may not even know your name
But I promise you I felt the same
As you do now, you'll make it somehow And even if you feel as though you have no friends
Except the blade that cuts your skin
You're better than this
You're worth more than this And I believe if you go
My heart would break
Just hold on one more day Cus you are so beautiful (Woah oh oh)
I promise you this
I promise you this
And you are more than capable (Woah oh oh)
Just believe in yourself and nobody else is listening And if you go I think my heart would break
And if you go I think my heart would break Cus you are so beautiful (Woah oh oh)
I promise you this
I promise you this
And you are more than capable (Woah oh oh)
Just believe in yourself and nobody else is listening You are so beautiful
I promise you this
I promise you this
And you are more than capable
Just believe in yourself and nobody else is listening
