If You Don't Mind

Kim Richey

There's no way to please you
Baby, I know, let's call it a day
There's nothing I can say or do to
Make it up to you anywayHoney, if you don't mind, put it off 'til tomorrow
Honey, if you don't mind, let it lie for today
Honey, if you don't mind 'cause it only brings sorrow
And we know where that's goin'
'Cause it's always the same if you don't mindLet's go see a movie, baby
We could hold hands in the dark
Maybe for a little while
We could both forget who we areHoney, if you don't mind, put it off 'til tomorrow
Honey, if you don't mind, let it lie for today
Honey, if you don't mind 'cause it only brings sorrow
And we know where that's goin' 'cause it's always the sameI know there's no way of gettin' around it
Put it behind us or wish it away
I ain't got the strength left to fight it
The space left to hide it, I don't want to feel it todayHoney, if you don't mind, put it off 'til tomorrow
Honey, if you don't mind, let it lie for today
Honey, if you don't mind 'cause it only brings sorrow
And we know where that's goin' 'cause it's always the sameHoney, if you don't mind, put it off 'til tomorrow
Honey, if you don't mind, let it lie for today
Honey, if you don't mind 'cause it only brings sorrow
And we know where that's goin'
'Cause it's always the same if you don't mind
