Golden Shore

Frank Black

So long I've been abiding in dark before the dawn
Come a time to even up the score
You can meet me in the morning
I'll drink you in like wine
I ain't never gonna see you anymoreAnymore, anymore
(Anymore)
I ain't never gonna be here anymore
You can meet me in the morning
I'll drink you in like wine
I ain't never gonna see you anymoreYou know that time's a wasting, the sun is very high
I need to find a way to heaven's door
You can hear me when you're sleeping
I'll be whistling in the wind
I'll see you on that distant golden shoreGolden shore, golden shore
(Golden shore, golden shore)
I'll see you on that distant golden shore
Can you hear me when you're sleeping
I'll be whistling in the wind
I'll see you on that distant golden shore
