Drip Drop

Kelly Willard

Drip Drop Drip Drop
Up On The House Top
Pitter Patter Pitter Patter
On The Window Pane
Tap Tap Tap
Fall Asleep On My Lap
As We Rock To The Rhythm Of The Falling Rain

So When You Hear The Sound
Of Raindrops Coming Down
Tapping On The Window Pane
Nothing Is The Matter
It's Just The Pitter Patter
Of A Gentle Falling Rain

Rain Rain Go Away
Come Again Another Day
