

Put 'em Up

Summertime Dropouts

Lost inside the perfect day dream
Thinking of a time when everything was so much easier
She's just a lonely girl
Trapped in this fairy tale world
Where nothing seems to have a happy ending This one's for all the under dogs
Those days where everything goes wrong
All the people say, all the people say
Hey, hey, hey, hey, hey
Put em up, put em up, don't you forget
You're way too strong to give up yet
Everybody in the place let me hear you say
Hey, hey, hey, hey, hey Lied to, just a little pin prick
Sleeping beauty, don't fret
You'll be feeling stronger very soon
She's just a lonely girl
Trapped in this fairy tale world
Where nothing seems to have a happy ending This one's for all the under dogs
Those days where everything goes wrong
All the people say, all the people say
Hey, hey, hey, hey, hey
Put em up, put em up, don't you forget
You're way too strong to give up yet
Everybody in the place let me hear you say
Hey, hey, hey, hey, hey Put em up
This one's for all the under dogs
Put em up
Put em up
Those days where everything goes wrong
Put em up
Put em up
Put em up, up
This one's for all the under dogs
Those days where everything goes wrong
Everything goes wrong This one's for all the under dogs
Those days where everything goes wrong
All the people say, all the people say
Hey, hey, hey, hey, hey
Put em up, put em up, don't you forget
You're way too strong to give up yet

Everybody in the place let me hear you say
Hey, hey, hey, hey, hey
