Boy heat up! heat up! heat up for me  
Please heat up! heat up! heat it! heat it up for me  
Boy heat up! heat up! heat up for meMy body's trembling  
Pulse is racing  
My heart is pounding  
Beating so hard  
Like an alarm set off  
Inside of meCan't hear the siren cause it silent  
But eyes  
Always give away the signs  
I hope you're  
Reading them correctlyLet me be the moth  
To your fire  
I wanna get so lost inside your arms  
Tonight  
Please heat up! heat up! heat up  
Fulfill my desires  
Take my hand  
We'll walk into the sun  
Together  
Please Heat it up! Heat it up! Heat it up for meTonight it's all in your favor  
I'll sweat till I  
Drip my make up  
Work over time  
I'll stamp you certified! certified!  
Tonight Ima keep your weight up  
I'll be your personal trainer  
Work over time  
I'll stamp you certified! certified!My body's raining like a  
Tropical storm  
And baby you're the cause  
So catch me now  
Because I'm feeling weak  
Getting more sensitive with  
Every second  
One touch  
Will fly me to heaven  
To the stars another galaxyLet me be the moth  
To your fire

I wanna get so lost inside your arms  
Tonight  
Please heat up! heat up! heat up  
Fulfill my desires  
Take my hand  
We'll walk into the sun  
Together
