# Not Dead

## Girls In Hawaii

Broken branches in two
under my shoes
Everything's tied to gravity
I walk alone to a Sunday dawnSo can you tell them I'm broke
Never on top
Every day reality shouts
I'm about to let it downNot dead i'm not dead
I'm not dead, i'm not dead
I'm not dead, i'm not dead
I'm just doing wrongI am strongly upset
Down on my knees
Left in here caught in the undertow
Please turn me off or wake me upThere's nothing left in this box
Memories lost
Pieces of what I try to keep
They leak out of my head and get me downNot dead i'm not dead
I'm not dead, i'm not dead
I'm not dead, i'm not dead
I'm just doing wrongUntil I sleep
I'll forever walk
