

Alas We Aspire

Amy Stroup

Hey here we go

Even we

Even so

Hey here we go

Ever fast

Ever slow

Alas we aspire

Feel the flame

Carry fire

Alas we as fire

Feel the flame

Take me higher

Where are you now â€¢oh ohâ€¢

Where are you now â€¢oh ohâ€¢

Look through my words

Iâ€™m mine

Youâ€™re yours

Look through my words

Youâ€™re mine

Iâ€™m yours

Where are you now â€¢oh ohâ€¢

Where are you now â€¢oh ohâ€¢

Rain cleared the wood

Shallow light

There you stood

Rain cleared the wood

Turned my eyes

There you stood
