

Out of Space

Prodigy

I'll take your brain to another dimension I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race I'll take your brain to another dimension
I'll take your brain to another dimension
I'll take your brain to another dimension
Pay close attention I'll take your brain to another dimension
I'll take your brain to another dimension
I'll take your brain to another dimension

Pay close attention I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race I'm gonna send him to outer space, find another race
I'm gonna send him to outer space, find another race I'll take your brain to another dimension
I'll take your brain to another dimension
