Baby Come Back Now

Mica Paris

You know I've been thinking
Counting up the days
I try to forget you, but you just wont fade
You know I've been losing
Losing my mind
I'm just a prisoner in this world left behindI don't where I'm going, what I'm supposed to do
One thing I know for sure is that I'm nothing without you[Chorus]
So baby come back now, back now
Pull me out of my misery
Now it was a good love, bad love
I don't know what you did to me
I try to hold on, hold on
Turn a little piece I had of you
Baby please please Come Back
Pull me out of my misery (Yeah yeah)
Pull me out of my misery (Yeah yeah)
I look over my shoulder
Cuz it's you I see
But it's my shadow walking next to me
I hear you whisper when I'm alone
I can't help but see your face everywhere I goI don't where I'm going, what I'm supposed to do
One thing I know for sure is that I'm nothing without you[Chorus]
So baby come back now, back now
Pull me out of my misery
Now it was a good love, bad love
I don't know what you did to me
I try to hold on, hold on
Turn a little piece I had of you
Baby please please Come Back
Pull me out of my misery (Yeah yeah)
Pull me out of my misery (Yeah yeah)
Baby come back
I can't stand it, I can't stand it, I can't
Cuz I can't touch, I can't feel
I need to know if your really for realI don't where I'm going, What I'm to do
One thing I know for sure I'm nothing without you
