Better Love Me

Same Difference

I wasted too much time
Trying to read the signs
I've been so afraid to speak my mind
Too afraid to knowMaybe you weren't the one
Maybe I was wrong
If we were never meant to be together
How can it feel so strongI'm changing
I'm not weak like before
I'm changing
I won't take it anymore[CHORUS]
You better love me or let me go
Either way I gotta know
Oh baby now if this is what, it seems to be
Give my heart back to me
You better love me or let me be
Hey give it all or set me free
Oh baby now the time has come
For you to show
You better love me
Or let me goDon't wanna cry in vain
Love has been a lonely lonely game
Time to break the chain
When you say love me
You never look in my eyes
Is it because that deep inside you know
It's just a bunch of lies[CHORUS]
You better love me or let me go
Either way I gotta know
Oh baby now if this is what, it seems to be
Give my heart back to me
You better love me or let me be
Hey give it all or set me free
Oh baby now the time has come
For you to show
You better love me
Or let me goIt's not too late to turn things round again
Somehow it feels too soon to say goodbye
I'm changing
I wont take it anymore[CHORUS]

You better love me or let me go
Either way I gotta know
Oh baby now if this is what, it seems to be
Give my heart back to me
You better love me or let me be
Hey give it all or set me free
Oh baby now the time has come
For you to show
You better love me
Or let me goYou better love me or let me go
