Dance All Night

Ryan Adams & The Cardinals

She ain't lonely now
See her shuffle across the floor
Yeah, she's happier now
See her smile and say "come on"Let's dance all night
Let's dance all night
Dance all night
Yeah, I think she'll be alrightI ain't lonely now
Yeah, I got someone I love
Someone I think about
Someone for me to take care of
Dance all night
Dance all night
Dance all night
Yeah, I think I'll be alrightShe ain't lonely now
See her shuffle across the floor
Yeah, she's happier now
See her smile and say "come on"
Let's dance all night
Let's dance all night
Dance all night
I think she'll be alright
