Monster Truck

Jay Ferguson

I'm so happy now
I got the big fat tires in the devil machine
My favorite monster truck
I'm going to show you up, you hot shotsI can destroy all across my way
I can even destroy TV shows and the part is yours
Dont be afraid, I want to be your friend
I want to turn right in the back and say
This is my real life way, I'm a monster truckI'm a monster truck and I will come down and destroy you
I'm a monster truck and I will come down and destroy you
I'm a monster truck and I will come down and destroy you
Cuz I can destroy youVrooom va vroom varami vrami
Vroom, that's the noise that my machine makes
All across the country roads and highways
I get excited when I break the peoples head, yeahAnd now I'm the master blaster and I make disaster
I'm the chaos master, I know you want more monster truck
This is your real life way, I'm a monster truckI'm a monster truck and I will come down and destroy you
I'm a monster truck and I will come down and destroy you
I'm a monster truck and I will come down and destroy you
Cuz I can destroy you, I'm a monster truckI'm a monster truck and I will come down and destroy you
I'm a monster truck and I will come down and destroy you
I'm a monster truck and I will come down and destroy you
Cuz I can destroy you, yeah, I'm a monster truckYes, I'm a monster truck
Hey, monster truck
Yeah, I'm a monster truckI'm a monster truck and I will come, come down and destroy you
I'm a monster truck and I will come down and destroy you
I'm a monster truck and I will come down and destroy you
Cuz I can destroy you
