

No Woman No Cry

[Marc Chait](#)

No woman no cry
No woman no cry
No woman no cry
No woman no cry
Cause I remember when we used to sit
 In a government yard in trenchtown
 Observing the hypocrites
 Mingle with the good people we meet
 Good friends we have, now
 Good friends we have lost
 Along the way
 In this great future,
 You can't forget your past
 So dry your tears, I say
 No woman no cry
 No woman no cry
 Oh little darling, don't shed no tears
 No woman no cry
Cause I remember when we used to sit
 In the government yard in trenchtown
 When Georgie would make the fire lights
I say, log would burnin' through the nights
Then we would cook cornmeal porridge
 Of which I'll share with you
 My feet is my only carriage
 So I've got to push on thru,
 And while I'm gone
 Everything 's gonna be alright
 Everything 's gonna be alright
 Everything 's gonna be alright now
 Everything 's gonna be alright
 Everything 's gonna be alright now
 Everything 's gonna be alright

No woman no cry
No woman no cry
No woman no cry
No woman no cry
No woman no cry

Oh little darlin' don't shed no tears
No woman no cry
Oh little darlin' don't shed no tears
No woman no cry
Said I re, said I re, Said I remember
No woman no cry
You and I and you and I and you and I
No woman no cry
Cause I remember when we used to sit there
No woman no cry
In a government yard
No woman no cry
No woman no cry
No woman no cry, yeah
No woman no cry
No woman no cry (you sweet darling)
No woman no cry
No woman no cry, yeah
No woman no cry
No woman no cry, yeah
No woman no cry
No woman no cry
