I Like

Quindon Tarver

I like the way you walk
The sexy way you talk
Ooo I can't help myself
Baby I like
I like to kiss your lips
And when you move your hips
Ooo I can't help myself
Baby I like
Baby let me say what's on my mind
Take a little time to express myself
Honey I think you're fly
Now I don't have no problem
Saying what I like
I like to spend some time with you
Starting with tonight and I like
I like the way you walk
The sexy way you talk
Ooo I can't help myself
Baby I like
I like to kiss your lips
And when you move your hips
Ooo I can't help myself
Baby I like
Here's the situation
I lay here on the line
Meaningless relationships be wasting all my time
You are the special someone that I want to get to know
Baby can't you see it in my eye
I wanna take you home
Tonight lets take our time
Do it nice, do it slow
Baby we got nowhere to go
Oh I hope you don' t mind
Oh I'm coming on real strong
I give good lovin all night long
I like the way you walk
The sexy way you talk
Ooo I can't help myself
Baby I like

I like to kiss your lips
And when you move your hips
Ooo I can't help myself
Baby I like
I like the way you walk
The sexy way you talk
Ooo I can't help myself
Baby I like
I like to kiss your lips
And when you move your hips
Ooo I can't help myself
Baby I like
Make it hot Montell, make it hot
Make it hot Montell, make it hot
Make it hot Montell, make it hot
Make it hot Montell, make it hot
Make it hot Montell, make it hot
Make it hot Montell, make it hot
Make it hot Montell, make it hot
Tonight lets take our time
Do it nice, do it slow
Baby we got nowhere to go
Oh I hope you don' t mind
Oh I'm coming on real strong
I give good lovin all night long
I like the way you walk
The sexy way you talk
Ooo I can't help myself
Baby I like
I like to kiss your lips
And when you move your hips
Ooo I can't help myself
Baby I like
I like the way you walk
The sexy way you talk
Ooo I can't help myself
Baby I like
I like to kiss your lips
And when you move your hips
Ooo I can't help myself
Baby I like
