I Like It (Wax Motif Remix)

Sevyn Streeter

Oh, I think I might need a cigarette
'Cause we'd be up and then we're on again
I just don't get it, don't why we do this, what we do this for?
One day we'll be in a Cadillac
I'll be ridin' with my seat laid back
Next day I'll be breaking all your windows,
Keyin' up your doors!Don't know how you do,
To me what you do!
But baby, ooh you
You do it so good!
And yeah, we break up,
I break all yo stuff
That's just how we love
We keep it so hoodHow you make me feel ain't nobody do that for me
And we go through some things, but I can't stop loving you
And oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
The way my body feel when you're laying right beside me
Boy, I'ma be right here, don't care what nobody say
'Cause oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like itOh now I be catching attitudes
Throwin' things and gettin' mad at you
Yeah, it's crazy
But it's in the name of, in the name of love!
Sometimes you gettin' on my nerves
Say I hate you but that sh** don't work
Bedtime we say we're through with it
And we're back in love again!Don't know how you do,
To me what you do!
But baby, ooh you
You do it so good!
And yeah, we break up,
I break all yo stuff
That's just how we love
We keep it so hoodHow you make me feel ain't nobody do that for me

And we go through some things, but I can't stop loving you
And oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
The way my body feel when you're laying right beside me
Boy, I'ma be right here, don't care what nobody say
'Cause oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like itIf you call yo man yo boo
And you like and love him too
Say I like it, I like it!
If he give it to you good
And he keep that lovin' hood
Say I like it, I like it!
I like it!
I like the way you kiss me, baby!
I like it!
I like it, I like it!
I like it, I like it!How you make me feel ain't nobody do that for me
And we go through some things, but I can't stop loving you
And oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
Oh I like it, I like it
The way my body feel when you're laying right beside me
Boy, I'ma be right here, don't care what nobody say
'Cause oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like it
Oh, I like it, I like itDo me, baby!
Do me, baby!
Wait, wait!
Uh I like the way!
