

Timber

Pitbull

[Ke\$ha]

It's going down, I'm yelling timber

You better move, you better dance

Let's make a night, you won't remember

I'll be the one, you won't forgetwooooo oooooh[Pitbull]

The bigger they are, the harder they fall

This biggity boy's a diggity dog

I have them like Miley Cyrus,

clothes off twerking with my

bras and thongs, timber

Face down, booty up, timber

That's the way we like the war, timber

I'm slicker than an oil spill

She say she won't, but I bet she will, timberSwing your partner round and round

End of the night, it's going down

One more shot, another round

End of the night, it's going down

Swing your partner round and round

End of the night, it's going down

One more shot, another round

End of the night, it's going down[Ke\$ha]

It's going down, I'm yelling timber

You better move, you better dance

Let's make a night, you won't remember

I'll be the one, you won't forgetIt's going down (It's going down)

I'm yelling timber

You better move (You better move)

You better dance (You better dance)

Let's make a night

You won't remember

I'll be the one

You won't forget (You won't forget)ooooh[Pitbull]

Look up in the sky, it's a bird, it's a plane

Nah, it's just me, ain't a damn thing changed

Live in hotels, swing on plane

Blessed to say, money ain't a thing

Club jumping like Lebron, now, Voli

Order me another round, homie

We about to climb, wild, 'cause it's about to go downSwing your partner round and round

End of the night, it's going down
One more shot, another round
End of the night, it's going down
Swing your partner round and round
End of the night, it's going down
Ooooh
One more shot, another round
End of the night, it's going down[Ke\$ha]
It's going down, I'm yelling timber
You better move, you better dance
Let's make a night, you won't remember
I'll be the one, you won't forget (you won't forget)It's going down (It's going down)
I'm yelling timber
You better move
You better dance (You better dance)
Let's make a night (Let's make a night)
You won't remember
I'll be the one (I'll be the one)
You won't forget (You won't forget)ooooh
ooooh
oooohooooh
ooooh
ooooh
oooohooooh
ooooh
ooooh
oooohooooh
ooooh
