

I Want It All

Eurythmics

I want it all
I want it all
I don't know what it is
But I want it all I want it all
I want it all
I don't know what it is
But I want it all And I want it now
And I want it now
I don't know what it is
But I want it now And I want it now
And I want it now
I don't know what it is
But I want it now Yeah, yeah, yeah Gimme, gimme some more
Of the same old stuff
It don't make me happy
And it's never enough Gimme, gimme some more
Of the same old stuff
It don't make me happy
And it's never enough Peel back my skin
So that you can see
What I really am
The true color of me Peel back my skin
So that you can see
What I really am
The true color of me Yeah, yeah, yeah I want it now
I want it now
I don't know what it is
I want it now I want it now
I want it now
I don't know what it is
But I want it now Yeah, yeah, yeah I don't know what it is
I don't know what it is
I don't know what it is
