Sleep (Bimbo Jones Mix)

Texas

I think that you're the one
When every time you call me lady
I don't know what it is
That makes me feel like this just lately, yeahThose heavenly calls
You knew I was on my own
Those heavenly calls
We stepped into the unknown[Chorus]
Let me sleep
So I can dream of you
Let me sleep
So I can be with youWhat's a girl to do when she's alone
With you just tell me
And here we are again yeah, acting
Like we're friends, just help meThose heavenly calls
You knew I was on my own
Those heavenly calls
We stepped into the unknown[Chorus x2]Hold me close
Let me be with youAt least tonight
Won't be misunderstood[Chorus x2]Let me sleep
Oh let me sleep
Let me sleep so I can dream of you
Let me sleep so I can be with you
Let me sleep so I can dream of you
Let me sleep so I can be with you
Let me sleep
Let me sleep
Let me sleep
Let me sleep
Let me sleep
Let me sleep so I can be with you
