La Prima Volta (First Time Ever I Saw Your Face)

Paul Potts

The first time ever I saw your face
I thought the sun rose in your eyes
And the moon and the stars were the gifts you gave
To the dark and the endless skies, my love
To the dark and the endless skiesAnd the first time ever I kissed your mouth
I felt the earth move in my hands
Like the trembling heart of a captive bird
That was there at my command, my love
That was there at my command, my loveAnd the first time ever I lay with you
I felt your heart so close to mine
And I knew our joy would fill the earth
And last till the end of time, my love
And it will last till the end of time, my loveThe first time ever I saw your face, your face
Your face, your face
