Get Free

Newton Faulkner

Never got no love from a government man
Heading down the stream till' the leather gives in
What I gotta do to get the money?
We ain't got the money, we ain't got enoughHeading down the stream till' the leather gives in
Help, my dreams are wearing thin
All I need's relief I need, I need some sympathyLook at me
I just can't believe
What they've done to me
We can never be free
I just wanna beLook at me
I just can't believe
What they've done to me
We can never be free
I just wanna be
I just wanna dreamAll my life been waiting in
Water so deep now we've got to swim
Wonder will it ever end
How long, how long do we have a friendLook at me
I just can't believe
What they've done to me
We can never be free
I just wanna beLook at me
I just can't believe
What they've done to me
We can never be free
I just wanna be
I just wanna dreamLook at me
I just can't believe
What they've done to me
We can never be free
I just wanna beLook at me
I just can't believe
What they've done to me
We can never be free
I just wanna be
I just wanna dream
