Honestly

American Football

Honestly I can't remember (teen dreams)
All my teenage feelings
And the meanings
They seemed too see-through
To be trueAll the who's are there
But the whys (but the whys)
Are unclear (are unclear)Picture this
The long awaited
Sickening kiss
How does it feel (explain)
To know (how)
We've re-written history (these things change)
Despite the complicated
Beginning to all of this
Honestly?
