

Sweet Kisses

Jessica Simpson

Oh OK oh

Couldn't look me in the eye
He apologizes
He didn't make enough to take me out tonight
I beg him not to worry, please don't turn away
I don't need a world of riches
I just need a little time with you and

Sweet kisses
All I really need is
Sweet kisses
That's what moves me

And his lips are pure emotion
He smiles because he knows how much I love the way he makes me feel inside
He answers all my wishes
Who could ask for more?
Doesn't have to say I love you
All I need he tells me with his

Sweet kisses
All I really need is
Sweet kisses
That's what moves me

He heals me.
He touches me down to my soul
My heart's beating out of control
I just need a little time with you

Sweet kisses
All I really need is
Sweet kisses
That's what moves me

Sweet kisses, baby it's all I really need from you
Sweet (don't need your money baby.
Just want your time now, baby) kisses
Cause that's what moves me honey.

Sweet kisses
Sweet kisses. (your kisses)
And that's what moves me
Sweet kisses
