

Take My Scars

Machine Head

It's been around for a thousand years
And it'll be here for plenty more
It is the face hidden in disgrace
That has become now an open sore
It is a false Messiah
It is the face of pain
The bringer of the bittersweet
The heretic insane
Take my scars
Through hands of God
I found a better way
To break the walls
Fed all the lies and desensitized
Taught to believe that it is the way
Taught to divide and exactly why
You'll never understand my rage
They've never had to borrow
They've never had to steal
They eat it with their silver spoon
For us it's real
Take my scars
Through hands of God
I found a better way
To break the walls
Blood and concrete
Piss and wine
Whores that fuck
To feel divine
They'll clean their needles
In their shrine
In ignorance
It's bliss you find
Why can't you, fuckin' open
Open up your eyes?
Why can't you, open up your eyes?
Why can't you, open up your eyes?
Why can't you, open up your eyes?
Why can't you fuckin' open
Open up your eyes?
Why can't you, open up your eyes?
Why can't you, open up your fuckin' eyes, yeah?
