# Power Hungry Animals

## The Apache Relay

Everybody's tellin' me what to do, and I, I can't choose.
And everybody wants control, to hang me up by their noose.
But if they only knew they'd laugh and dance like fools.
If they only knew souls cannot be fooled.

Power hungry animals, let 'em eat if they want to!
Let my soul now rest in peace,
Because I know the One who holds the Truth

If they only knew, they'd laugh and dance like fools
If they only knew that Souls can not, Souls cannot be fooled.
Souls can not, Souls cannot be fooled!
Souls can not, Souls cannot be fooled!
Souls can not, Souls cannot be fooled!
Souls can not, Souls cannot be fooled!
Souls can not, Souls cannot be fooled!
Souls can not, Souls cannot be fooled!
