

Moody's Mood (feat. Kem)

Patti LaBelle

There I go, There I go, There I go, There I go
Pretty baby you are the soul who snaps my control
Such a funny thing but every time you're near me,
I never can behave You give me a smile and then I'm wrapped up in your magic
There's music all around me
crazy music, music that keeps calling me so very close to you
turns me your slave
Come on do with me any little thing that you want to
anything baby, just let me get next to you
So am I insane or do I really see heaven in your eyes
bright as the stars that shine up above you
in the clear blue skies
How I worry bout you, just can't live my life without you
Baby come here, don't have no fear, oh
is there a wonder why
I'm really feeling in the mood for love
So tell me why, stop to think about this weather my dear
this little dream might fade away
there I go talking out of my head again
Oh baby put our two hearts together
let me take you by the hand oh
when we are one, I'm not afraid, I'm not afraid
If there's a cloud up above us
come on and let it rain I'm so sure our love together will endure a hurricane
oh my baby won't you please let me love you
and get relief from this awful misery
What is all this talk about loving me my sweet
I am not afraid, no I'm not, not anymore, not like before
Can't you understand me
Patti please pull yourself together, do it soon
my soul's on fire, come on and take me
I'll be what you make me, my darling, my sweetie yeah
Oh baby, you make me feel so good
let me take you by the hand
come let me visit out there, in that new promise land
Maybe there we can find a decent place
to use a loving state of mind
I'm so tired of being without it
never knowing what loves about

Hey man,
you can come over here and blow now if you want to
we're through
