

I'm Gonna Walk Dem Golden Stairs

[Elvis Presley](#)

I'm gonna walk, walk dem golden stairs
'Cause I know my Jesus answers all my prayers
Well, well, I know when He calls me to my home on high
I'll walk dem golden stairs when I die, when I die Oh Lord, you know I can hardly wait
To reach that suite by and by, by, by
But now I see those per, per, pearly gate
I'll walk dem golden stairs when I die, when I die Well, well, well, I'm gonna walk, walk dem golden stairs
'Cause I know my Jesus answers all my prayers
Well, well, I know when He calls me to my home on high
I'll walk dem golden stairs when I die, when I die When Jesus says to me well done
And all my cares are laid by
I'll lay down my soul, my battles are won
I'll walk dem golden stairs when I die, when I die Well, well, well, I'm gonna walk, walk dem golden stairs
'Cause I know my Jesus answers all my prayers
Well, well, I know when He calls me to my home on high
But I'll walk dem golden stairs when I die, when I die Well, well, I'm gonna walk, walk dem golden stairs
'Cause I know my Jesus answers all my prayers
Well, well, I know when He calls me to my home on high
I'll walk dem golden stairs when I die, when I die
