

# El Lute

## Boney M

This is the story of El Lute  
A man who was born to be hunted like a wild animal  
Because he was poor  
But he refused to accept his fate  
And today his honor has been restored  
He was only nineteen and he was sentenced to die  
For something that somebody else did and blamed on El Lute  
Then they changed it to life and so he could escape  
From then on they chased him and searched for him day and night  
All over Spain but the search was in vain for El Lute  
He had only seen the dark side of life the man they called  
El Lute  
And he wanted a home just like you and like me  
In a country where all would be free  
So he taught himself to read and to write it didn't help El Lute  
He was one who had dared to escape overnight they had to find El Lute  
No one gave you a chance in the Spain  
of those days  
On the walls every place they had put up the face of El Lute  
And he robbed where he could just like once Robin Hood  
They finally caught him and that seemed the end  
But they caught him in vain 'cause a change came for Spain and El Lute  
He had only seen the dark side of life  
the man they called El Lute  
And he wanted a home just like you and like me  
In a country where all would be free  
And then freedom really came to his land and also to El Lute  
Now he walks in the light of a sunny new day the man they called El Lute
