

Baby Doll

[Doris Day](#)

Baby doll, you wonderful baby doll
Let's go home and tell my mother
That I found a baby brotherI am taking you off the shelf
And showing you off myselfCan't you see it now
You're taking me walkin'
Holding my parasol
Oh honey, there's no use talkin'
You're a wonderful baby dollI am taking you off the shelf
And showing you off myselfCan't you see it now
You're taking me walkin'
Holding my parasol
Oh honey, there's no use talkin'
You're a wonderful baby dollA wonderful baby doll
