I Will Sing

The Love Movement 4:16

[Verse 1]
You are majestic
Look at the sky
Seeing the sun and the moon
at the same time

[Pre-Chorus]
Your beauty is amazing
it goes on and on
How can we capture
it in a song

[Chorus]
Still I will sing of Your greatness
I will tell of Your love
Till the whole world
Till the whole world
Knows who You are

I will sing of Your greatness
I will tell of Your love
Till the whole world
Till the whole world
Knows who You are

You're beautiful God

[Verse 2]
You are amazing
Look at the seas
Feeling the waves flow
Flow over me

[Pre-Chorus]
Your beauty is amazing
it goes on and on
How can we capture
it in a song

[Chorus]

Still I will sing of Your greatness
I will tell of Your love
Till the whole world
Till the whole world
Knows who You are

I will sing of Your greatness
I will tell of Your love
Till the whole world
Till the whole world
Knows who You are

You're beautiful God
