

# Ripped Off

## Today Is the Day

I tore it in two,  
And no one saw. Please heal me,  
I need this. The sea rages on. Ripped off, ripped off. [x2] Ripped off, Ripped off, Yeah! The last time, ripped  
off. This time... I'm free... [x2] I'M FREE! [x2] As my pledge,  
I say to you,  
I promise.
