

# Come Back To Me

Vanessa Hudgens

Y'all need to get ready to hear  
The unbelievable, indescribable  
Vanessa Hudgens  
Baby V  
Everyday I try to play another game  
But my heart can't take it  
I try to find another boy  
But all the while I can't face it  
Why do I miss you so much?  
I wanna stop to turn inside  
Oh baby please  
Give us one more try  
I see you out with all your friends  
Laughing it up as you pretend  
To have a good time  
I know 'cause I'm living the same life  
So I'm about to got to say  
We can't keep living this same way  
So I'll be the one  
Yeah I'll say it, I'll say it, I'll say it, I'll say it again  
Baby come back to me  
In my heart I still believe  
We were meant to be  
Together so whatever it takes  
Baby come back to me  
I should've never set you free  
Love baby  
Come back  
I wanna call, but then I stall  
'Cause after all, I just couldn't take it  
'Cause if your play was to push me away  
You know that day, my heart you'd break it  
I know we made a mistake  
Can't you stop your foolish pride  
And come back to me?  
Let's try, let's try, let's try, let's try it again  
Baby come back to me  
In my heart I still believe  
We were meant to be

Together so whatever it takes  
Baby come back to me  
I should've never set you free  
Love baby  
Come back  
You know you miss your Baby V  
And I can see that you think about me  
So why do you act like you don't care  
Like all this love between us isn't there  
I know that you're upset  
I know I did you wrong  
I know that you want me to pay for all the pain I've caused  
But in the end it all comes down to just one thing  
It's you and me  
So I sing  
Baby come back to me  
In my heart I still believe  
We were meant to be  
Together so whatever it takes  
Baby come back to me  
I should've never set you free  
Love baby  
Come back
