

Food Medley As Performed In 1985 - 06

Weird Al Yankovic

I know to keep a woman satisfied.
When I whip out my Diner's Card their eyes get so wide.
They're always in the mood for something to munch.
Ah girls, they wanna have lunch.
Ah, girls just wanna have...That's all they really want,
Some lunch.
Don't ask 'em to dinner
Or breakfast or brunch,
'Cause girls, they wanna have lunch.
Ah, girls just wanna have lunch.Girls they want, wanna have lunch, girls, wanna have...
