

# Second Chance

## KIDZ BOP Kids

My eyes are open wide  
And by the way I made it through the day  
I watched the world outside  
By the way I'm leaving out today I just saw Hayley's comet, she waved  
Said why you always running in place?  
Even the man in the moon disappeared  
Somewhere in the stratosphere Tell my mother, tell my father I've done the best I can  
To make them realize this is my life, I hope they understand  
I'm not angry, I'm just saying sometimes goodbye is a second chance Please don't cry one tear for me  
I'm not afraid of what I have to say  
This is my one and only voice  
So listen close, it's only for today I just saw Hayley's comet, she waved  
Said why you always running in place?  
Even the man in the moon disappeared  
Somewhere in the stratosphere Tell my mother, tell my father I've done the best I can  
To make them realize this is my life, I hope they understand  
I'm not angry, I'm just saying sometimes goodbye is a second chance  
This is my chance Tell my mother, tell my father I've done the best I can  
To make them realize this is my life, I hope they understand  
I'm not angry, I'm just saying sometimes goodbye is a second chance  
Sometimes goodbye is a second chance  
Sometimes goodbye is a second chance
