

Still Thrives This Love

[k.d. lang](#)

I often wonder, is it so?
All I am holding wants let go
How could I manage, I don't know? I often question, is it so?
Life's contradictions tend to grow
Spawning the choices and the woe But, still somehow thrives this love
Which I pray I'm worthy of
Still somehow thrives this love I often worry, is it so?
Lessons of patience are learned slow
Earnings of labor may never show But, still somehow thrives this love
Which I pray I'm worthy of
Still somehow thrives this love
