

Another Day

[Jamie Lidell](#)

Another day, another way
For me to open up to you
Another day, another way
For me to open up to you I used to worry I would wake up one day
Only to find we'd nothing more to say
Now I'm letting silence do the talking
Now I'm letting silence do the walking Searching for another day, another way
For me to open up to you
Another day, another way
For me to open up to you I used to scream when a whisper would do
Only wanted noise all over you
Now I'm letting silence do the talking
Now I'm letting silence do the walking Searching for another day, another way
For me to open up to you
Another day, another way
For me to open up to you That's why I'm searching for
Another day, another way
For me to open up to you
Another day, another way
For me to open up to you
