Dusky

I didn't realize it
I didn't realize it
I hadn't drove, belight me
I'm like before, I might be
Whisper lonely, meant for hope
For fingers caught the years below
We try
We tryWe try
We try
We try
We try
Try
Try
Trust in me, we have...
For us to be, we have to try
Trust in me, we have to tryI didn't realize it
For us to be, we have to try
I didn't realize it
Trust in me, we have to try
These questions deep inside me
I'm sure of parts I might beTwist and turns can lead us astray
For when you need to have caused away
We try
We try
We try
We try
We try
We tryI didn't realize it
For us to be, we have to try
I didn't realize it
Trust in me, we have to try
I didn't realize it
For us to be, we have to try
I didn't realize it
