

# Blue Bird

## RBL Posse

There's a blue bird on my shoulder  
There's a blue bird on my shoulder  
There's a blue bird on my shoulder  
There's a blue bird on my shoulder

Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder  
Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder

Back on the scene Crispy and clean  
Theses two niggas with a glock 17  
Can I give a fuck cuz u might catch a buck  
You fucking with a nigga doing pussy like chuck  
Me I'm a G triyin to stay sucka free  
The nigga nigga Black from the P-O-doubleS-E  
Test me

When I'm on the jacket  
One time when was rolling deep when it's time for some action  
Now I'm actin, shhh  
Keep it on the down low,  
Run yo run yo, ass out the motha fucka town yo  
And there's a blue bird on my shoulda so I gotts to drop it to the beat and  
Run this bitch ass over

Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder  
Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder

It still gets deeper and deeper  
The deeper in this game that they get they got these young niggas  
Up in six  
Letting loose on a nigga

Even if they figured you was bigger they will still be your grave digger

Time keeps on ticking  
My babys getting older and her momas steady tripping  
Saying I'm always with my click  
And she be like "you make me, you make me sick"  
From rags to riches  
Now a lot of niggas don't fuck with no bitches  
Riding with a fifty block glock  
Sellin folder a soldiers with a blue bird on the shoulder

Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder  
Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder

I watch you slip, slip, slip, slip then fall  
And make my hand go into your pocket and into some market store  
Cuz a nigga gotta keep some long nubs so I be in the projects like a does Like my name is Jail  
So what the hell  
I think I gotta let that shit go trying to make a rapper  
Come up off a funky floor  
I didn't know, yo  
That shit wouldn't come that easily, shit record companys think I'm pussy cuz They all try to beat me  
Excuse me  
Ladys hood rats do it daily  
Coppin my niggas fame and tellin my homies "baby"  
This shit don't got nobody gettin hurt  
And best beleive my first visit is gunna be that punk ass blue bird

Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder  
Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder

Patrolling city bustin putting niggas into cust.  
Bunch of sucka trying to ask "where they pick up shit"  
Like deoterant be tellin I be holding it  
I beat that out like clean clothes and watch me start folding shit  
And cut that out like bender twice  
I'm nothing nice

I'm still stressing cuz of the frisk cold ice  
But the better have they nike shoes on  
Cuz them high tech boots in the wrong shoes for the drugs  
On the go

You wont catch me, so don't let me  
Pull out my gat on you dogs that you sent to fetch me  
I'll have them puppies dropping like chirps and come back out the corner Store and start busting at the blue bird

Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder  
Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder

Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder  
Man there's a blue bird on my shoulder can I kill it  
Man there's a blue bird on my shoulder can I kill it  
There's a blue bird on my shoulder
